YAMUNA EXPRESSWAY

Yamuna Expressway Industrial Development Authority (YEIDA)

The development of Yamuna Expressway Project and allied development in the region, the Government of Uttar Pradesh had constituted the Taj Expressway Industrial Development Authority (TEA) vide its Notification No. 697/77-4-2001- 3(N)/2001 dated 24th April, 2001, under Uttar Pradesh Industrial Area Development Act, 1976 (U.P. Act No. 6 of 1976). Under clause (d) of section-2 of the Uttar Pradesh Industrial Area Development Act, 1976 (U.P. Act No. 6 of 1976), the area comprising the village mentioned in Schedule, annexed hereto shall be an "industrial development area" to be called "Taj Express-way". The Government of Uttar Pradesh vide Notification No. 1165/77-4-08-65 N/08-Lucknow: Dated 11 July, 2008 reproduced below changed the name of the Authority as created above from Taj Expressway Industrial Development Authority to Yamuna Expressway Industrial Development Authority. The main responsibilities of the erstwhile TEA (now Yamuna Expressway Industrial Development Authority), inter alia, included:

- Execution of Yamuna Expressway.
- Acquisition of land for the construction of the Expressway and area development.
- Preparation of Zonal plan/Master plan for planned development along the Expressway.
- Development of drainage, feeder roads, electrification and other facilities in the area.

Yamuna Expressway stretching 165 kms. Connects international tourist destinations of Delhi and Agra. Yamuna Expressway, a 6-lane (extendable to 8 lane) access controlled Expressway, is planned to have 5 LFD (Land of concessional use) with facilities of 4 Toll Plazas, and 6 Interchanges along the entire length. YEIDA notified area covers approx. 2,689 sq. kms, falling in six districts to be developed in two phases.

INDUSTRIAL PARK

The background features a series of thin, green, wavy lines that create a sense of movement and depth. These lines are layered, with some appearing closer and more defined, while others fade into the background. A prominent feature is a grid-like pattern formed by the intersection of these lines, which is most visible in the upper right quadrant. The overall effect is a modern, minimalist aesthetic with a focus on geometric and organic forms.
