

SECTOR 22D · YAMUNA EXPRESSWAY · GREATER NOIDA

Northwind Sector 22D

Wellness-led living, 15 minutes from Noida International Airport

Fully furnished 3 & 4 BHK residences on five acres — six towers, only three homes on every floor, and a master plan built around a central green.

5 Acres

6 Towers · G+30

540 Residences

3 Homes per Floor

4 Lifts per Tower

From ₹1.23 Cr*

A wellness address in the airport growth corridor

Northwind Estates has brought its low-density, design-led approach from NorthWind Sanctuary in Greater Noida to a five-acre YEIDA parcel in Sector 22D — planned as a wellness community rather than a tightly packed high-rise cluster.

WELLNESS & LIFESTYLE AMENITIES

The idea behind the project

Six slim towers hold 540 residences. Every floor carries only three apartments, served by four high-speed lifts, so each home opens on three sides for daylight and cross-ventilation. Homes come fully furnished, and the ground level is kept largely free for a central green, walking loops and open-air wellness spaces.

The plot was secured in May 2026 through an open YEIDA auction with a winning bid of ₹189 crore — a clean, authority-allotted title with a development timeline set by the authority.

Why now, why here

Noida International Airport at Jewar began commercial flights on 15 June 2026 and is about 15 minutes away. The 1,000-acre International Film City in the adjoining Sector 21 is under construction. The infrastructure that usually arrives years after a launch is already visible from the site.

Designed by Confluence — the architecture practice behind NorthWind Sanctuary, one of the first IGBC Platinum pre-certified group housing projects in Greater Noida.

At a glance

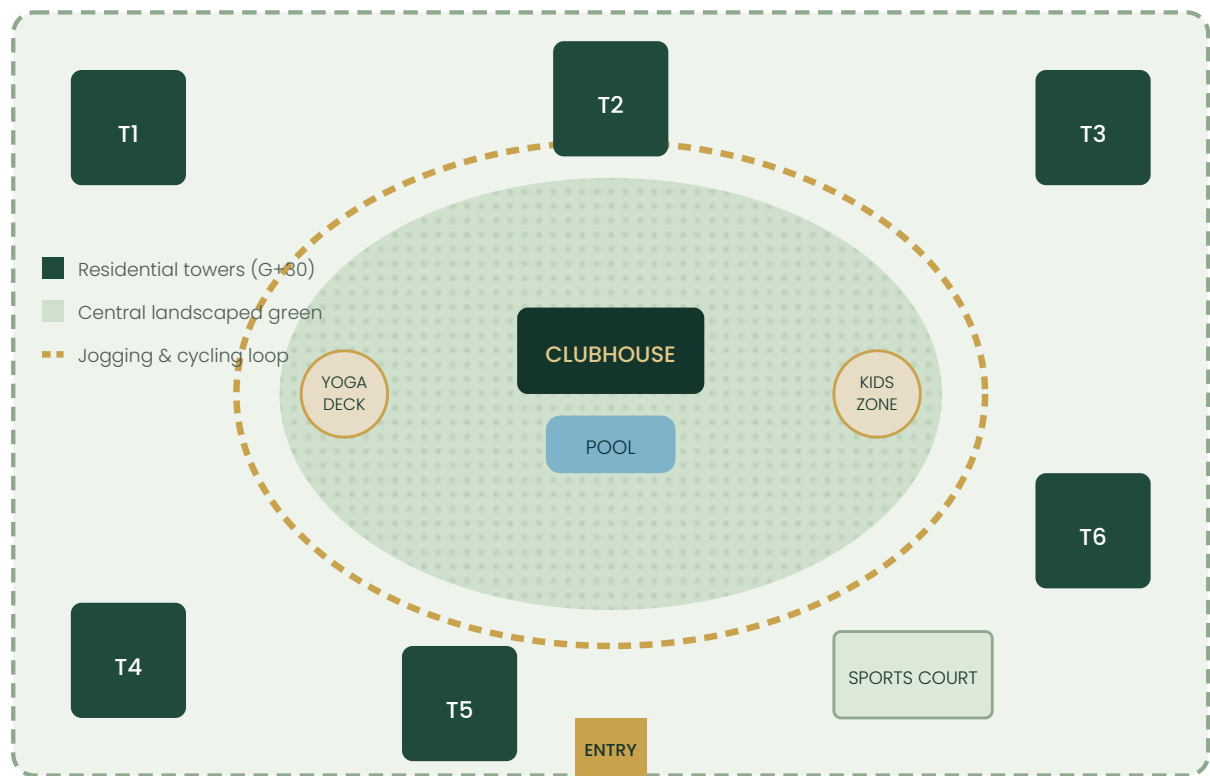

Location	Sector 22D, Yamuna Expressway
Sizes	1,675 sq. ft. · 2,200 sq. ft.
Launch price	3 BHK from ₹1.23 Cr*

Furnishing	Fully furnished
Payment plan	20×5 construction-linked*
RERA	Under process

*Indicative. Subject to change without notice. Areas are super built-up. Possession tentatively 2030–31, to be confirmed on UP RERA registration.

Fewer homes. More open ground.

Most five-acre group housing plots on the expressway are planned with four to six apartments on a floor. Northwind has gone the other way: six slim towers placed along the periphery, three homes on each floor, and the heart of the site given over to a landscaped green with the clubhouse and pool at its centre.

Indicative site schematic prepared for this brochure · not to scale · tower positions and amenity locations as per the approved plan

01

Three homes per floor

Four lifts serving three apartments — shorter waits, no shared walls on multiple sides, and a private-lobby feel on every level.

02

Three-side open

Each home takes a corner of the floor plate, so the living room, master bedroom and at least one more room get direct daylight.

03

Wellness at the centre

Spa clubhouse, pool, yoga deck, reflexology path and a jogging loop around the green — daily routines that happen inside the campus.

Two layouts. Both furnished, both three-side open.

Every home at Northwind Sector 22D is delivered fully furnished — modular kitchen, wardrobes, air-conditioning, false ceilings with lighting and premium bathroom fittings — so the launch price is closer to the cost of actually living in the home than a bare-shell quote.

MOST REQUESTED

3 BHK + 3 Toilets

1,675 sq. ft. super area

- Living and dining as one continuous space opening to the main balcony
- Separate kitchen with utility balcony
- Corner master bedroom with private balcony and attached toilet
- Two more bedrooms, each with an attached toilet
- Two balconies; openings on three sides

LAUNCH PRICE

₹1.23 Cr* onwards

LIMITED INVENTORY

4 BHK + 4 Toilets + Servant

2,200 sq. ft. super area

- Large living and dining with a wide front balcony
- Kitchen with utility; servant room and toilet with separate access
- Corner master suite with walk-in wardrobe zone and private balcony
- Three more bedrooms, each with an attached toilet — one works as a study
- Deck-sized balconies; openings on three sides

LAUNCH PRICE

On request

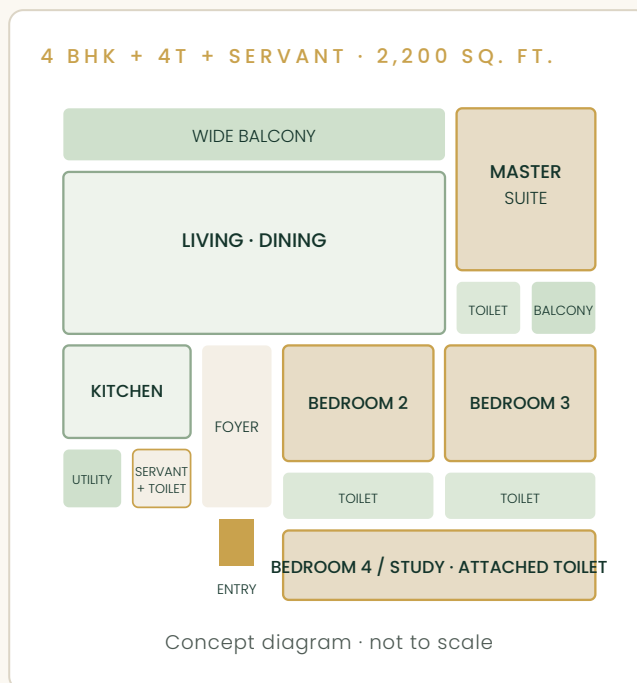

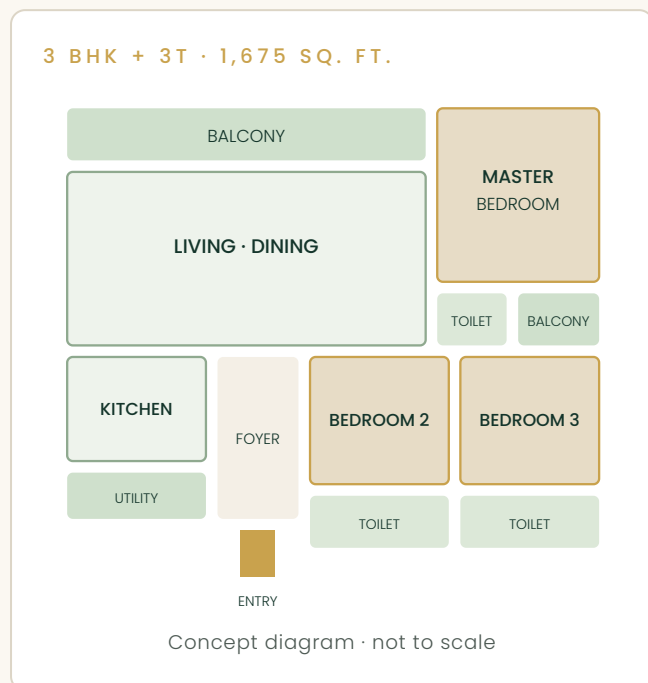

What fully furnished includes

- Modular kitchen with hob, chimney and storage
- Wardrobes in every bedroom
- Split ACs in living room and all bedrooms
- False ceiling with LED lighting
- Premium sanitaryware and CP fittings
- Shower enclosure in master toilet
- Video door phone and digital main-door lock
- Large-format vitrified tile flooring
- UPVC / aluminium windows with mesh

*Indicative launch pricing; subject to change without notice. Floor-rise, PLC and view premium may apply on select units. Areas are super built-up; RERA carpet areas will be published with the registration. Final furnishing schedule will be annexed to the builder-buyer agreement.

How the homes are arranged

Room-adjacency diagrams for the two configurations. Dimensioned, tower-specific floor plans are shared with the price list and will form part of the agreement.

Typical floor plate

Three apartments arranged around a central core of four high-speed lifts and two staircases. Each home takes a corner position with openings on three sides. Service shafts and refuse chutes sit in the core, away from the living spaces.

Reading the areas

1,675 and 2,200 sq. ft. are super built-up areas — the apartment, balconies and a proportionate share of common areas. The RERA carpet area (usable area inside the walls) will be published with the registration; ask for both before comparing projects.

30+ ways to live well

The campus is planned so that a healthier daily routine — a morning walk, an evening swim, a weekend yoga session — happens inside it. With 540 homes on five acres, every facility is shared by far fewer families than in a typical township.

Wellness & fitness

- Wellness clubhouse with spa, sauna and steam
- Temperature-controlled swimming pool with deck; kids' pool
- Fully equipped gym — cardio and strength zones
- Yoga and meditation deck; aerobics and dance studio
- Jogging track and cycling loop around the central green
- Reflexology walking path; herb and organic garden

Community & leisure

- Banquet and party hall; mini theatre
- Co-working lounge with meeting room; library
- Café and convenience store; guest suites
- Amphitheatre and event lawn
- Senior citizen zone with shaded seating
- Kids' play area, crèche and activity room; pet park

Safety & convenience

- 3-tier security — gate, tower entry and apartment level; CCTV
- Video door phone and intercom in every home
- 4 high-speed lifts per tower, including a stretcher-size lift
- 100% power backup for common areas; standard backup for homes
- Fire detection and suppression as per NBC norms
- Vehicle-free ground level with basement and stilt parking

Sports

- Multipurpose court — basketball, volleyball, tennis
- Badminton court and squash court
- Cricket practice net
- Indoor games lounge — table tennis, billiards, carrom, chess
- Skating rink for children

Green & sustainable

- Large central landscaped green with towers on the periphery
- Rainwater harvesting; STP with treated-water reuse
- Solar lighting in common areas
- Waste segregation and organic composting
- EV charging points in parking

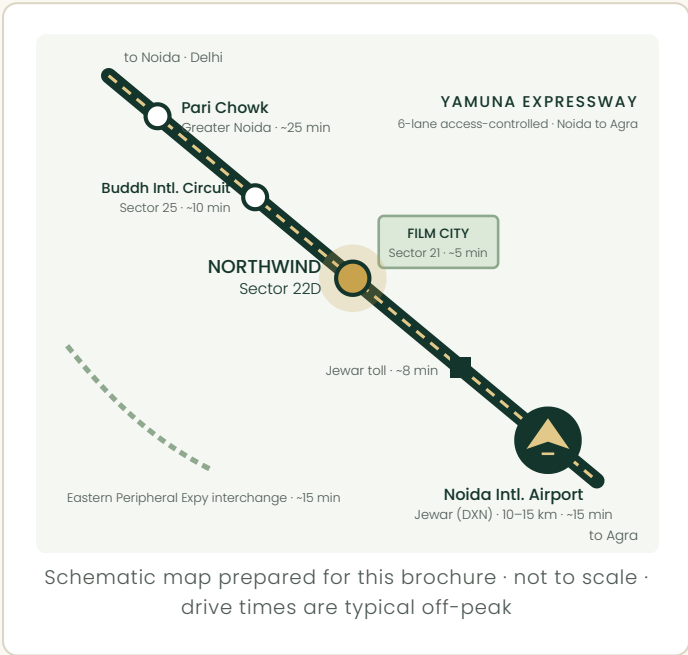

LOW DENSITY, FELT DAILY

Three homes per floor and four lifts per tower mean the pool, gym and courts are shared by a resident base a fraction of the size of a 1,000-plus-unit township. Finding a lane in the pool on a weekend or a slot on the badminton court is a very different experience here.

Amenities are as per the proposed plan and will be finalised with the approved drawings. Club membership is included in the launch price; monthly maintenance is fixed closer to possession.

Sector 22D – the airport corridor, already operational

Sector 22D is among the YEIDA residential sectors closest to Noida International Airport, with the International Film City coming up in the adjoining Sector 21. Roads, water, sewer and power are laid by the authority to a master plan.

LANDMARK	APPROX.
Noida International Airport (DXN)	15 min
International Film City, Sector 21	5 min
Jewar toll plaza	8 min
Buddh International Circuit	10 min
Eastern Peripheral Expy interchange	15 min
Gautam Buddha University	20 min
Pari Chowk, Greater Noida	25 min
Galgotias University, Knowledge Park	25 min
Noida Sector 18	45 min
Delhi border, Kalindi Kunj	60 min
Agra via Yamuna Expressway	90 min

Noida International Airport

Commercial flights began on 15 June 2026. Phase 1 handles 12 million passengers a year on a 3,900 m runway with a 1,01,590 sq. m. terminal; the master plan scales to 70 million passengers by Phase 4. Operated by Yamuna International Airport Pvt. Ltd., a subsidiary of Zurich Airport International AG.

International Film City, next door

A 1,000-acre master plan in Sector 21. Phase 1 on 230 acres is being built by Bayview Bhutani Film City (Boney Kapoor with Bhutani Infra) at about ₹1,510 crore, with the first permanent studio targeted by end-2026 — the kind of workforce that rents furnished homes on long shoots.

Also in the corridor: Medical Devices Park (Sector 28), electronics and semiconductor clusters, Toy and Apparel Parks. Planned connectivity: Aqua Line metro extension towards the airport, Film City–airport pod taxi corridor, Ghaziabad–Jewar RRTS (DPR stage).

Launch pricing, September 2026

Furnished homes at a per-square-foot rate below what bare-shell launches in the sector are quoting — on a plan that keeps the upfront outlay at one-fifth of the cost.

CONFIGURATION	SUPER AREA	LAUNCH PRICE	EFFECTIVE RATE
3 BHK + 3T	1,675 sq. ft.	₹1.23 Cr* onwards	≈ ₹7,350 / sq. ft.*
4 BHK + 4T + Servant	2,200 sq. ft.	On request	On request

*Indicative launch pricing, inclusive of furnishing. Subject to change without notice. Floor-rise, PLC and view premium may apply on select units.

20×5 payment plan*

STAGE	PAYMENT
On booking / allotment	20%
Each construction milestone	5%
On offer of possession	Balance

The full milestone schedule is part of the price sheet. Home loans are sanctioned once the project holds UP RERA registration; pre-approvals can start earlier.

Included · Extra

- **Included:** furnishing as per schedule, one covered car park, club membership, power backup and water connection provisions
- **Extra, as applicable:** GST, stamp duty and registration, IFMS, additional car park, authority infrastructure charges if levied, floor-rise / PLC / view premium

Illustrative cost sheet — 3 BHK

Basic cost (launch)	₹1,23,00,000*
GST @ 5%	₹6,15,000*
Stamp duty + registration (~7%)	₹8,61,000*
IFMS & other charges	Per price sheet
Indicative total	₹1.37–1.40 Cr*

VALUE IN THE SECTOR

Premium bare-shell launches in Sector 22D during 2026 have quoted ₹9,000–₹9,500 per sq. ft., with interiors adding roughly ₹900–₹1,200 per sq. ft. on top. Northwind's furnished 3 BHK works out to about ₹7,350 per sq. ft.* — at the value end of the sector, with lower density than most of its neighbours.

HOME LOAN SNAPSHOT

On a ₹1.23 Cr* home with 80% funding, a ₹98 lakh loan at 8.5% over 20 years is an EMI of roughly ₹85,000 a month.

Launch offers are for a limited inventory. Early buyers get first pick of towers, floors and central-green-facing units at the launch price — call +91 97177 00596 for today's price sheet.

Northwind Estates

A Greater Noida-based developer built on more than two decades of real estate experience and a philosophy it calls "The Art of Rare Living" — fewer, larger homes on generous open ground. Sector 22D is its first project on the Yamuna Expressway.

ONGOING FLAGSHIP · SECTOR PI-1, GREATER NOIDA

NorthWind Sanctuary — a preview of Sector 22D

Planned by the same architects (Confluence) on the same principles as the Sector 22D launch:

- 4.5 acres, three towers, 185 residences, 80% landscaped greens
- Large three-side-open 3 BHK and 4 BHK homes
- 55 m Olympic-length pool, reflexology pathway, sky walk, pickleball
- IGBC Platinum pre-certified · UP RERA UPRERAPRJ798312

Visit Sanctuary on the same site-visit trip to see the developer's finish quality first-hand.

A track record behind the launch

The group has delivered over 10 lakh sq. ft. across Greater Noida, Noida and Indirapuram — including Satyam Galleria (Sector P3), Jagat Plaza (Jagat Farm) and Satyam Complex 1 & 2 (Alpha 2) in Greater Noida — completing and handing over projects across more than one market cycle. The Sector 22D plot was won through an open YEIDA auction in May 2026, which gives the project a clean, authority-allotted title and a development timeline set by the authority.

Developer corporate office: Plot 07, Sector Pi-1, Greater Noida, Uttar Pradesh 201306.
